

# PORTFOLIO

Lewis Brown

Photography  
& Retouching

2025

- Lifestyle

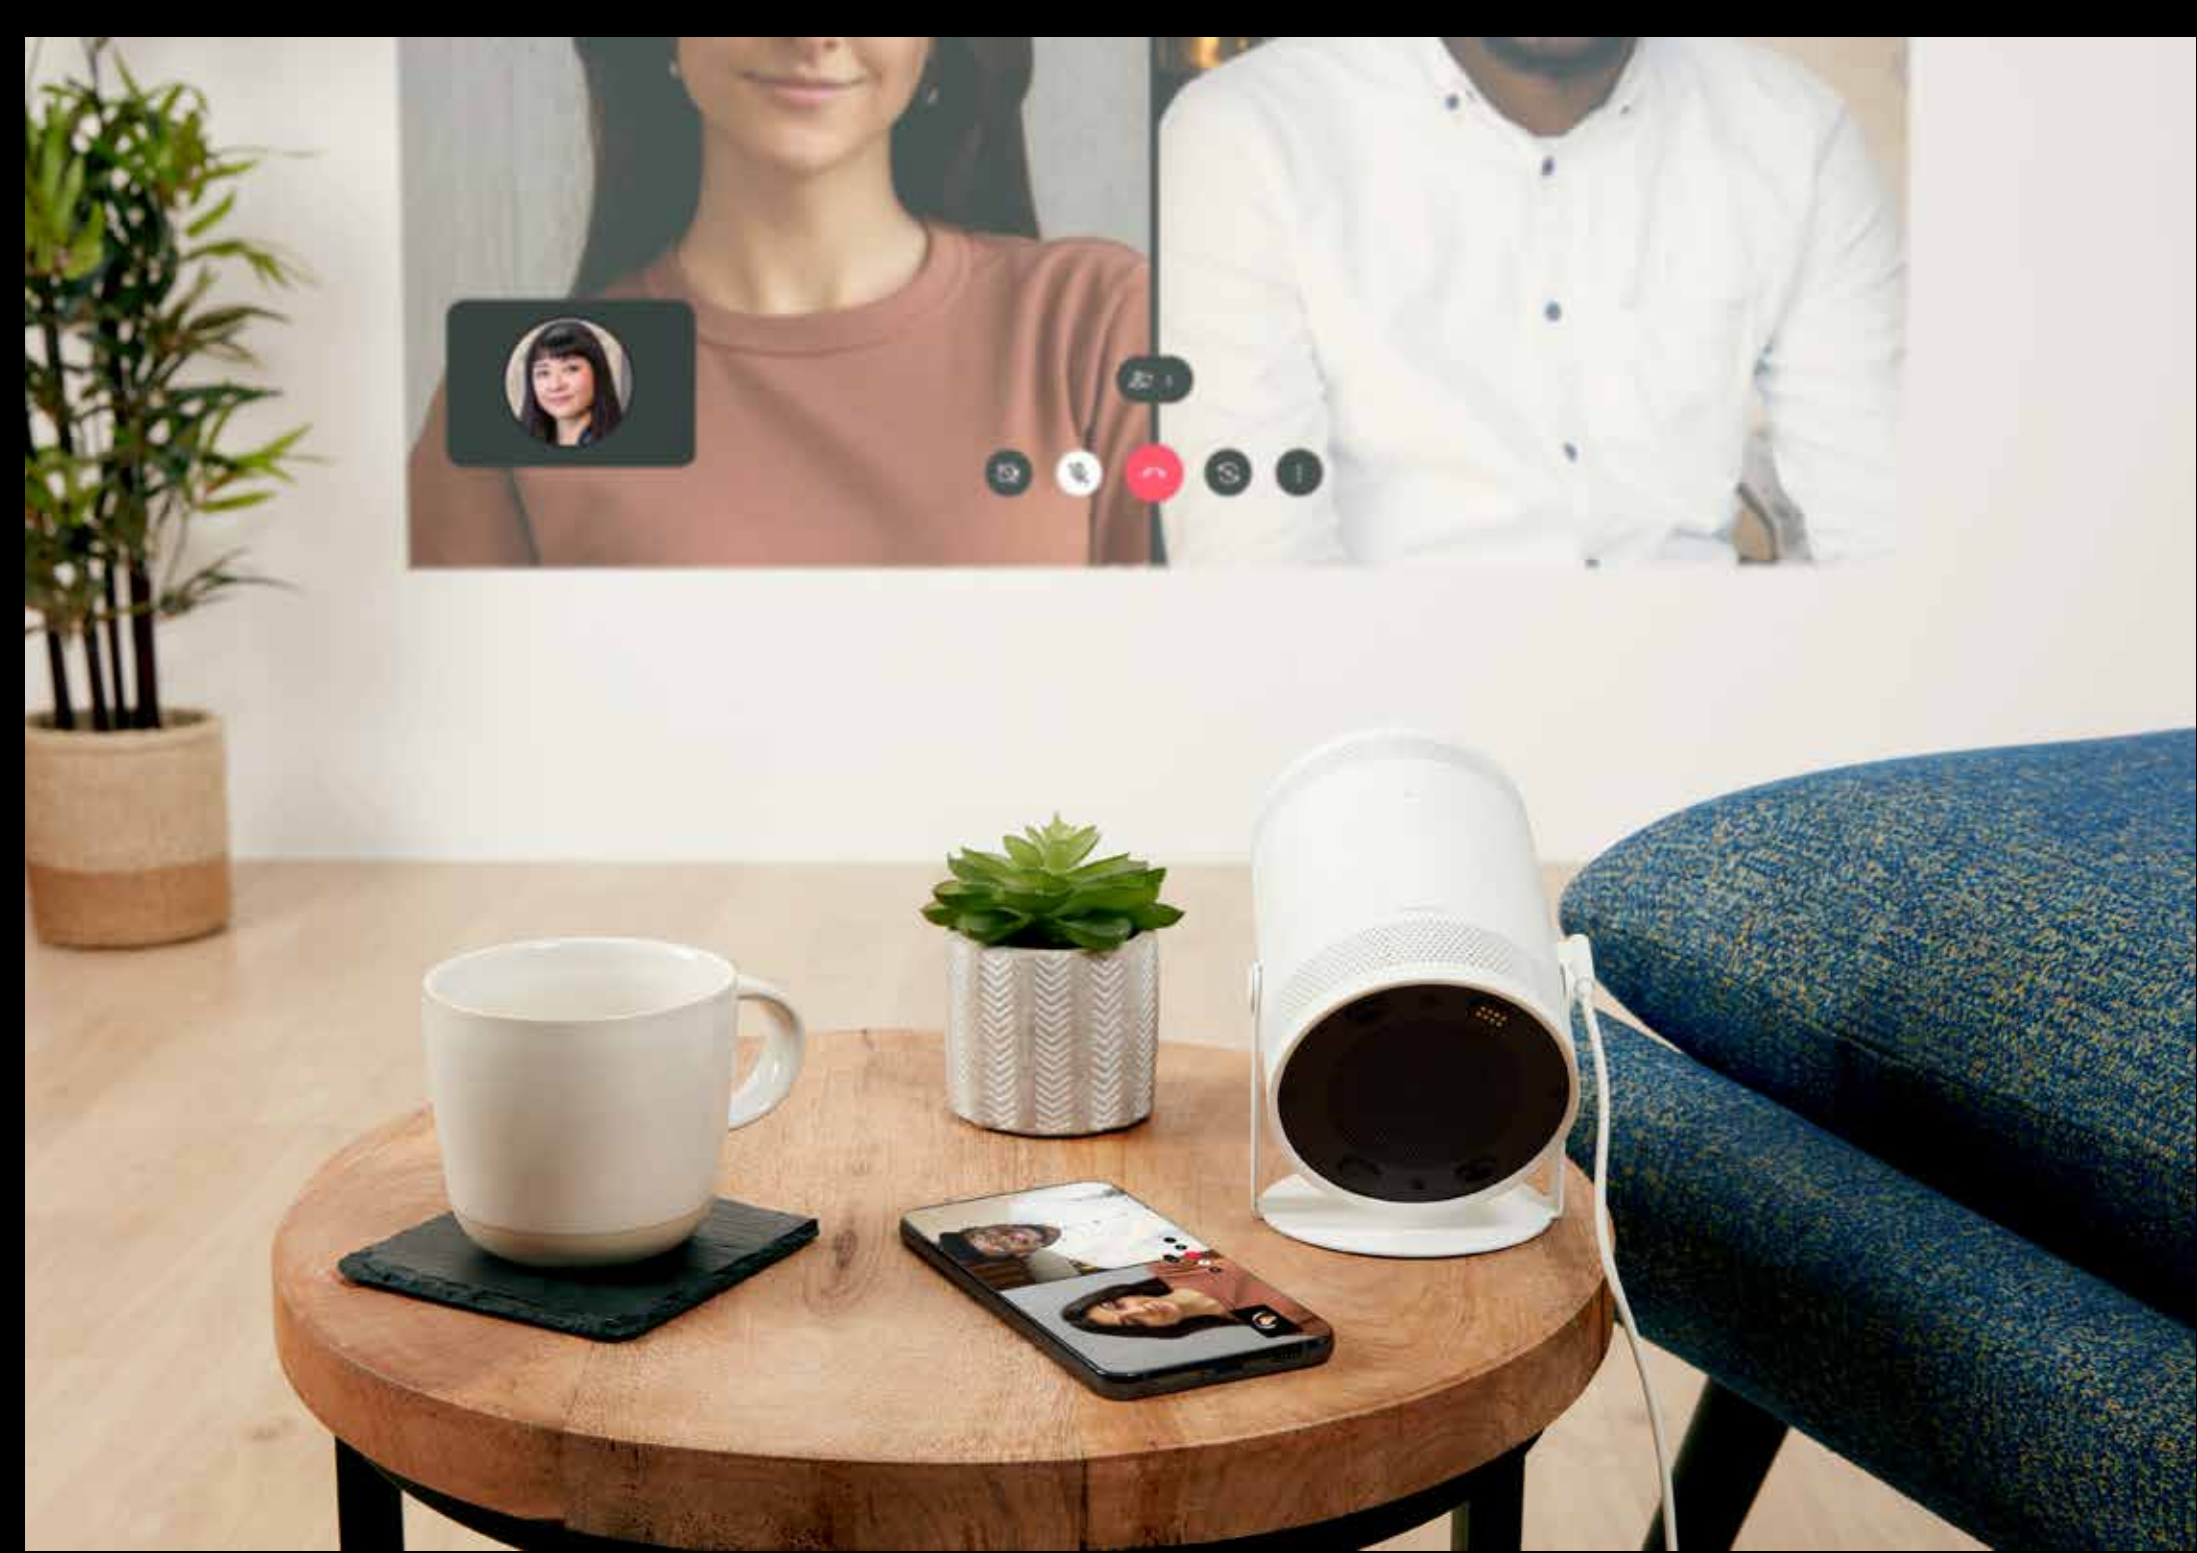

A versatile photographer specialising in lifestyle, portrait, and product photography, I'm driven by a passion for storytelling and creating authentic moments.

- Portrait

With a decade of technical expertise, I blend creativity and precision to produce images that feel both natural and engaging. My approach to lifestyle photography captures the essence of individuality, while my product photography is meticulously styled to reflect brand identity.

- Product

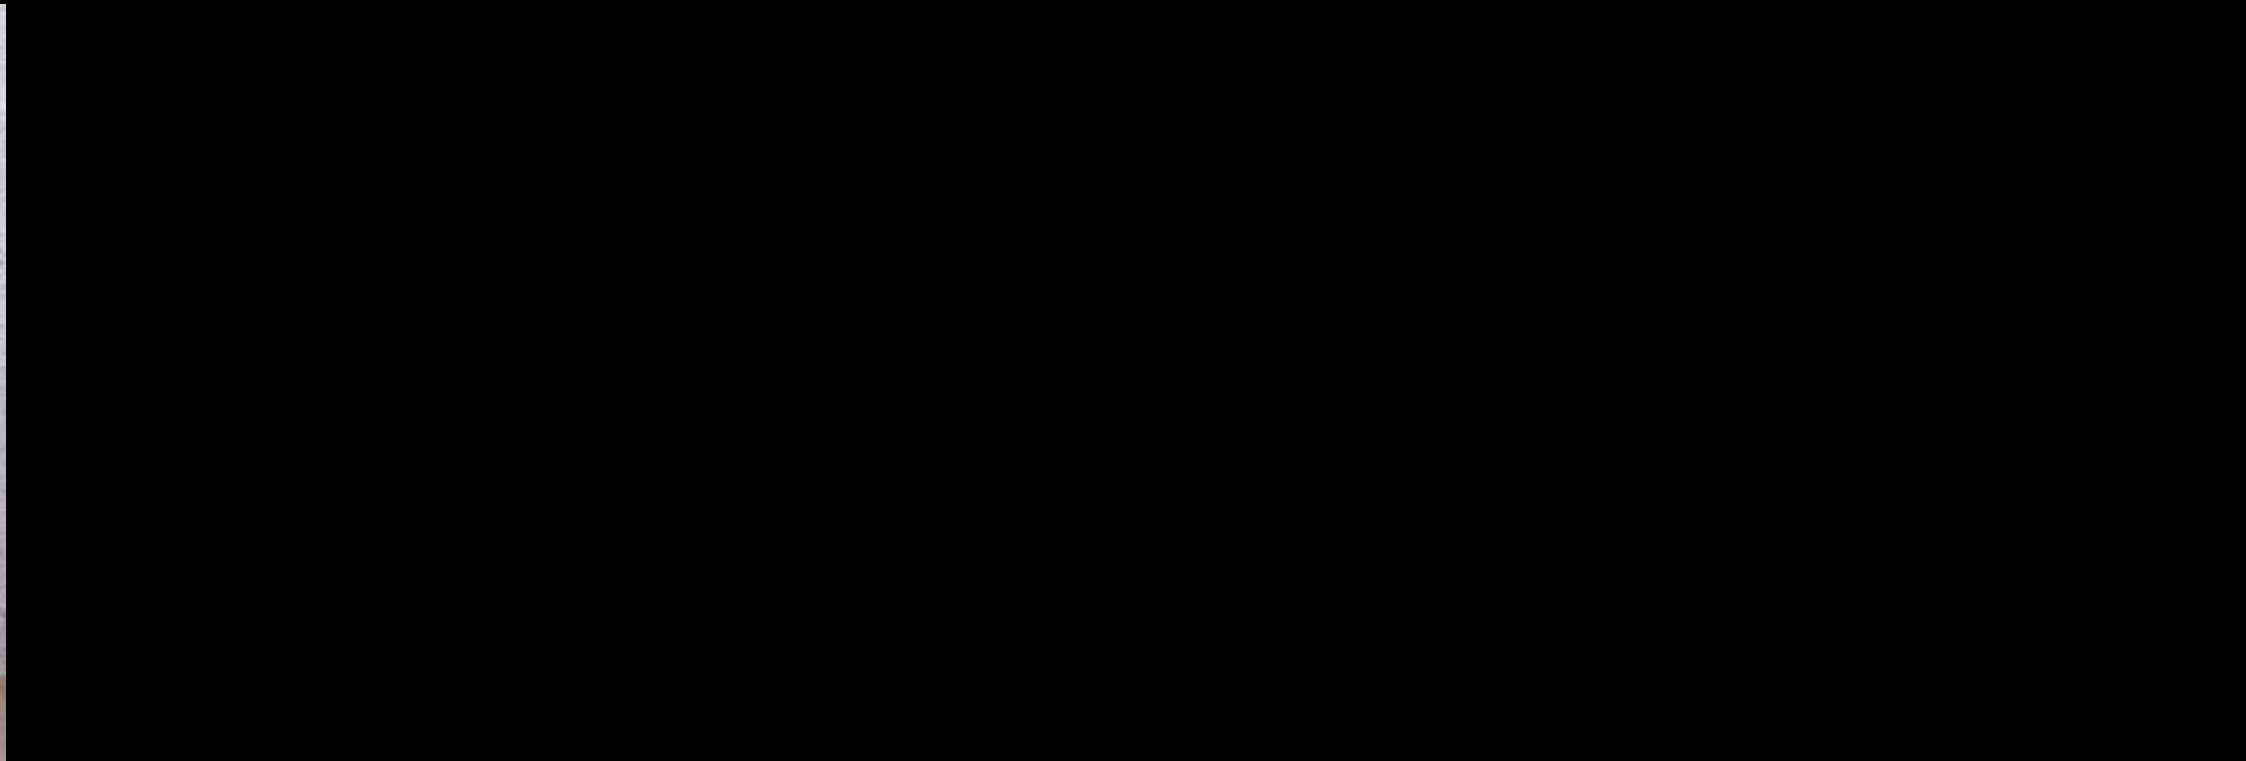

At the heart of my work is a commitment to crafting visuals that resonate with audiences and meet the unique nuances of each brief.

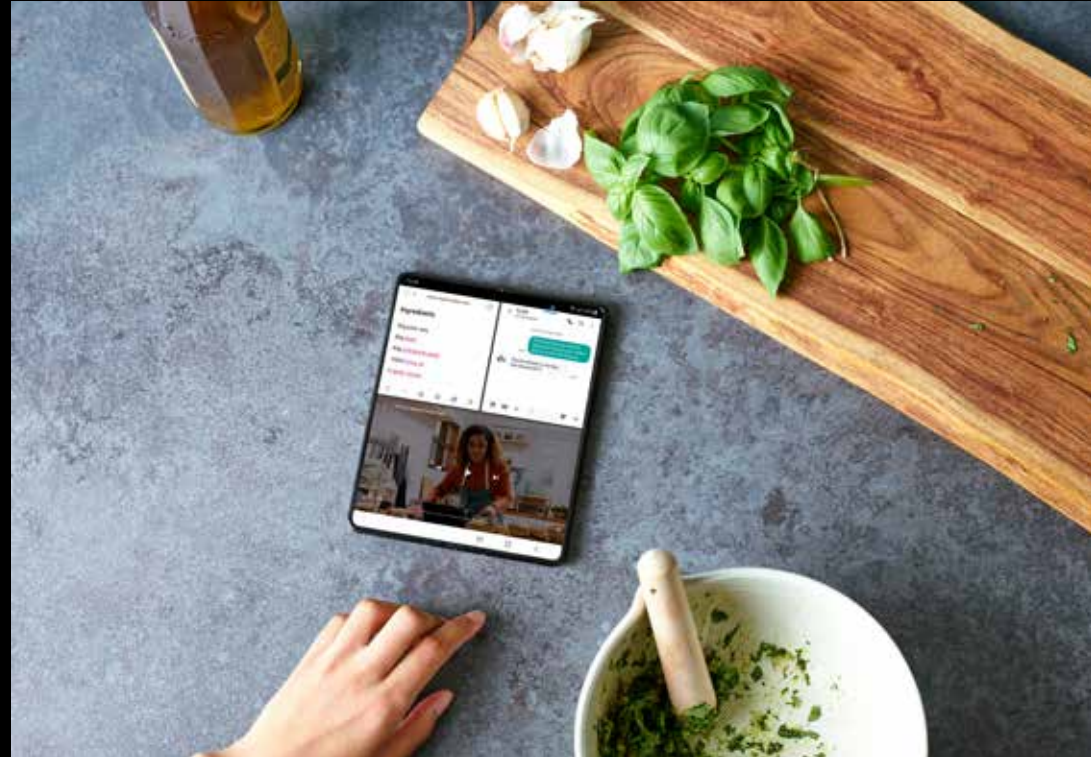

OCS Group, Global. Media Producer

Current Role

- Capturing a diverse spectrum of stills projects for social media, website and print.
- Location video content.
- Studio and location based portraiture.
- Retouching images and editing video content.
- Managing and organising projects to align with marketing strategy and campaigns.
- Planning, ordering and maintaining shoot specific equipment.

University of South Wales, Cardiff — (BA Hons)
